SEARCH STARTED FOR PIONEER PROSPECTOR

Headed by Constable Stevenson, of the Game Conservation Board, and Provincial Constable Murphy, of Vancouver, a search party will leave New Westminster tomorrow for Pitt Lake, where they will commence a search for "Volcanic" Brown, pioneer prospector, who is long overdue in the mountains between Pitt and Harrison Lakes. At the upper end of Pitt Lake the party will pick up Roy McMartin, trapper, whose knowledge of the country is said to be the best in the district.

"Volcanic" Brown, eighty-six, was last seen in the Pitt country, August 17, when another named Swanson, who was coming out, sold him some beans and rice to augment his [---] slender supply of flour and other eatables.
