Should go in late July & only
return:
Claimed he made 13 mi hike
into Berg Lake last year with
wife in 8 HR. Horses took in
season.
Wants to hike in with me in
late July
Saw Sarguatch on _____ creek.

Going up Stoguet Creek too hard.
The whitewater stream empties into
lake large enough to land a
plane — It is the true source of
Upper Stone River. About $1\frac{1}{2}$
long.

Claim's sink hole is visible
(yellow in color) from the air.
Mine is $2\frac{1}{2}$ HR from Terra rosa lake.
One team in assistant got blisters
another trail in boat
Blizzard on his back on way out.
